

## **International Student Hub - opening ceremony**

It is a great pleasure to invite you to the opening ceremony of the **International Student Hub** of the University of Pécs, Faculty of Humanities and Faculty of Sciences **on Thursday 12 October 2017 at 2:00 pm.**

The International Student Hub is a new and exciting initiative established with the ambition to accommodate the wide range of needs of international students at our campus. Our main focus is on integrating newcomers, helping them make a smooth transition and providing a sense of belonging through our peer-mentor programme. The main role of the HUB is to advise and support the faculty's international community in order to enrich their academic and cultural experience.

The ribbon cutting ceremony will be attended by Prof. dr. József Bódis, Rector of the University of Pécs and Prof. dr. Tamás Bereczkei, Dean of the Faculty of Humanities who will hold their opening speeches and greet the guests in English.

**The opening ceremony takes place at the main entrance of the Ifjúság street campus of the University of Pécs, Faculty of Humanities and Faculty of Sciences.**

We look forward to seeing you.
